<b>PROJECT 3</b>		2		1	1

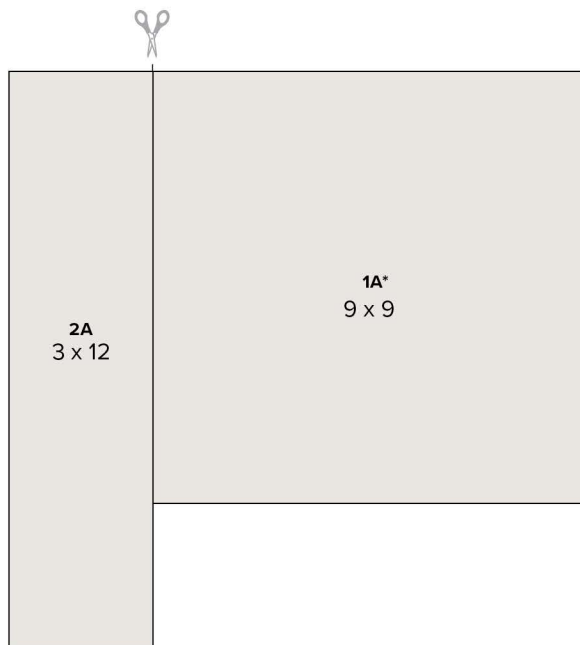

## GETTING STARTED

- Gather all materials needed.
- Check the cut orientation below each cutting diagram. This will show you how to cut the paper, keeping the patterns on your project pieces facing the right direction.
- Light gray pieces on the cutting diagrams are project pieces. White pieces are leftover pieces.
- As you cut the paper, label and sort the pieces as indicated in the cutting guide, creating a stack for each project.
- Mat all photos before assembly.
- Use a Black Stampin' Write marker to draw faux stitching on some pieces.
- Cut green striped sticker in half (one piece will be used on project 1, and one piece will be used on project 2).
- Cut black polka dot sticker in thirds (two pieces will be used on project 1, and one piece will be used on project 3).
- Cut purple star sticker in half (one half will be used on project 1, and one piece will be used on project 3).
- Unless otherwise noted, use Stampin' Seal to adhere pieces.
